

Triloma Announces 2015 Growth Activity

Investment firm exceeds equity raising goals in its first year of operations

ORLANDO, Fla. (Feb. 17, 2016) – Triloma Securities (“Triloma”) announced today the results of its syndication activity in 2015. The firm, which commenced broker-dealer operations on April 23, 2015, surpassed its equity raising goals for the year in just over eight months.

In 2015, Triloma raised more than \$117 million in equity in 12 offerings, marking one of the quickest sponsor launches in the alternative investment industry to-date. As part of its capital raising efforts, Triloma signed 57 selling agreements with 23 different retail broker-dealer firms throughout the year, with investment offerings in energy, seniors housing and land development.

“When we founded Triloma, our goal was to create a company where we could improve the lives of our investors, partners and associates,” said Larry Goff, chief executive officer of Triloma Securities. “As we look back at an extraordinary first year for our firm, we have exceeded that goal. We are also proud to have three outstanding investment partners, and to have added to our team some of the brightest and most experienced professionals in our industry.”

In the last year, Triloma and its affiliate, Triloma Financial Group, have grown from 9 to 46 associates. These associates include industry veterans who average 15 years of experience in the investment industry. To accommodate this strategic growth, the company relocated to a larger office in Winter Park, Florida.

Plans for continued growth in 2016 are well underway, as Triloma prepares to expand its presence in the broker-dealer community.
